UPMC Carlisle

Main entrance of Hospital

Education Center

361 Alexander Spring Rd., Carlisle

tinyurl.com/Careers-Carlisle

A fulfilling, exciting career may be in your future! Consider working in health care — one of the fastest growing employment sectors in the United States.

Careers can range from direct patient care like nursing or therapy to behind-the-scenes work in a laboratory or pharmacy. At one of our upcoming events, meet with departments of UPMC in Central Pa. such as Nursing, Imaging, Community LifeTeam (EMS), Pharmacy, Information Technology, Medical Group/Physician Office, General Maintenance, and more.

Spend some time talking with experts about the wide variety of opportunities in health care and find out what education and skills you'd need. In addition, schools and colleges will be in attendance to discuss their health care education programs.

No matter what role you choose, everyone who works in health care makes a difference in people's lives!

To register, scan the **QR code** or visit **Careers.UPMC.com/Event** and search for **Health Care Career Night**.
