

# Dover School Nutrition Meals on the Move

Fresh school meals made to go where you go!

## TEACHER FIELD TRIP ORDER FORM

The “Meals that Move” menu options will be available on the Parent Field Trip Order Form. After you receive the order selections from parents, total the orders for the classroom and turn this form into our department at least **3 weeks before** the trip. We will handle the rest and have it cold packed and ready to go when you go!
